LETTER FROM THE BOARD

(1) GENERAL MANDATE TO ALLOT AND ISSUE SHARES

At the annual general meeting of the Company held on 9 June 2017, an ordinary resolution was passed by the then Shareholders granting the Directors the existing issue mandate to allot, issue and otherwise deal with Shares not exceeding 20% of the issued share capital of the Company as at 9 June 2017. At the AGM, an ordinary resolution will be proposed to renew the Issue Mandate so that the Directors will be empowered to allot, issue and otherwise deal with Shares not exceeding 20% of the aggregate nominal amount of the issued share capital of the Company, amounting to 1,320,136,529 Shares as at the date of passing such resolution, assuming that no further Shares are issued or repurchased after the Latest Practicable Date and up to the date of passing of such resolution at the AGM.

The Issue Mandate will remain in effect until the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the date by which the next annual general meeting of the Company is required to be held by the applicable Companies Law or the Articles; and (iii) the date on which such an authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company.

(2) GENERAL MANDATE TO REPURCHASE SHARES

At the annual general meeting of the Company held on 9 June 2017, an ordinary resolution was passed by the then Shareholders granting the Directors the existing repurchase mandate to make on-market share repurchases (within the meaning of the Takeovers Code) of up to 10% of the issued share capital of the Company as at 9 June 2017. The existing repurchase mandate will lapse at the conclusion of the AGM, unless being renewed at the meeting.

At the AGM, an ordinary resolution will be proposed to renew the Repurchase Mandate so that the Directors will be empowered to make on-market shares repurchase up to 10% of the aggregate nominal amount of the issued share capital of the Company, amounting to 660,068,264 Shares at the date of passing such resolution, assuming that no further Shares are issued or repurchased after the Latest Practicable Date and up to the date of passing of such resolution at the AGM.

The explanatory statement required by the Listing Rules is set out in Appendix I to this circular.

LETTER FROM THE BOARD

The Board wishes to state that they have no present intention to repurchase any Shares or issue any new Shares in the event that these general mandates are approved.

(3) GENERAL MANDATE TO EXTEND THE ISSUE MANDATE

Subject to the passing of the resolutions to grant the Issue Mandate and the Repurchase Mandate, an ordinary resolution will be proposed at the AGM to extend the Issue Mandate by the addition to the aggregate nominal value of the share capital of the Company which may be allotted or agreed conditionally or unconditionally by the Directors pursuant to such general mandate of an amount representing the aggregate nominal value of the share capital of the Company repurchased by the Company pursuant to the Repurchase Mandate provided that such extended amount shall not exceed 10% of the aggregate of the total nominal value of the issued share capital of the Company on the date of passing the resolution approving the Issue Mandate.

(4) PROPOSED RE-ELECTION OF DIRECTORS

In accordance with Article 112 of the Articles, any Director appointed to fill a casual vacancy or as an additional Director shall hold office only until the next following general meeting of the Company and shall be eligible for re-election at the meeting but shall not be taken into account in determining the number of Directors who are to retire by rotation at such meeting. In accordance with Article 108 of the Articles, at each annual general meeting, one-third of the Directors for the time being, or, if their number is not three or a multiple of three, then the number nearest to but not less than one-third, shall retire from office by rotation provided that every Director, including those appointed for a specified term, shall be subject to retirement by rotation at least once every three years. Accordingly, Mr. Yu Zhiping, Mr. Fang Chunfa and Mr. Qiu Xianhong will retire by rotation at the AGM and, being eligible, will offer themselves for re-election.

RESPONSIBILITY STATEMENT

This circular includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors collectively and individually accept full responsibility for the accuracy of the information contained in this circular and confirm, having made all reasonable enquiries that to the best of their knowledge and belief, the information contained in this circular is accurate and complete in all material aspects and not misleading or deceptive, and there are no other facts the omission of which would make any statement herein misleading.

RECOMMENDATION

The Board considers that the proposal for the Issue Mandate, the Repurchase Mandate and the extension of the Issue Mandate are in the best interests of the Company and its Shareholders as a whole as the Issue Mandate and the extension of Issue Mandate allow the Board to have more flexibility to raise funds by issuing new Shares to potential investors as and when appropriate without the necessity to seek the approval from the Shareholders for each fund raising exercise. The Board also considers that the re-election of the Directors is in the best interests of the Company and its Shareholders as a whole. Accordingly, the Board recommends the Shareholders to vote in favour of the proposed resolutions at the AGM.

ADDITIONAL INFORMATION

Your attention is also drawn to the additional information set out in the Appendices to this circular.

Yours faithfully,
For and on behalf of the Board of
CGN Mining Company Limited
Yu Zhiping
Chairman

The following explanatory statement contains all the information required pursuant to Rule 10.06 of the Listing Rules to be given to all Shareholders relating to the resolution to be proposed at the forthcoming AGM authorising the Repurchase Mandate and to enable all Shareholders to make an informed decision whether to vote for or against the resolution to approve the grant of the Repurchase Mandate to the Directors.

1. EXERCISE OF THE REPURCHASE MANDATE

As at the Latest Practicable Date, there was a total of 6,600,682,645 Shares in issue. Subject to the passing of the ordinary resolution as set out in the notice of the AGM and assuming that no further Shares are issued or repurchased by the Company, the Directors would be authorised to repurchase up to 660,068,264 Shares (being 10% of the Shares in issue) during the period up to (i) the next annual general meeting of the Company in 2019; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Companies Law to be held; or (iii) the revocation or variation of the Repurchase Mandate by an ordinary resolution of the Shareholders in a general meeting of the Company, whichever occurs first.

2. REASONS FOR REPURCHASE

Notwithstanding that the Directors have no present intention to repurchase any Shares, the Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase the Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the value of the net assets and/or earnings per Share of the Company and will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders.

3. GENERAL

As disclosed in the most recently published audited consolidated financial statements of the Company for the year ended 31 December 2017, the Directors consider that there might be a material adverse impact on the working capital or gearing position of the Company in the event that the proposed share repurchases were to be carried out in full during the proposed repurchase period. However, the Directors will not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital or gearing position of the Company.

4. FUNDING OF REPURCHASES

Repurchase made pursuant to the Repurchase Mandate must be funded out of the funds legally available for such purpose and in accordance with the memorandum of association of the Company, the Articles, the Companies Law and the applicable laws of the Cayman Islands and the Listing Rules.

The laws of the Cayman Islands provide that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant Shares, or funds of the Company which would otherwise be available for dividend

or distribution or the proceeds of a new issue of Shares made for the purpose of the repurchase. Any premium payable on a redemption or purchase over the par value of the Shares to be purchased must be provided for out of profits of the Company or out of the Company's share premium account, or, if so authorised by the Articles and subject to the provisions of the Companies Law, out of capital. Such purchase may not be made if, on the date the purchase is to be effected, there are reasonable grounds to believe that the Company is, or after the purchase would be, unable to pay its liabilities as they become due.

A listed company in Hong Kong may not repurchase its own securities on the Stock Exchange for a consideration other than for cash or for settlement otherwise than in accordance with the Listing Rules.

5. DIRECTORS, THEIR ASSOCIATES AND CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates (as defined in the Listing Rules), has any present intention, in the event that the repurchase proposal is approved by the Shareholders, to sell Shares to the Company or its subsidiaries.

As at the Latest Practicable Date, the Company has not been notified by any of its core connected person (as defined in the Listing Rules) that he/she has a present intention to sell Shares to the Company or its subsidiaries, or has undertaken not to do so in the event that the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange, so far as the same may be applicable, that they will only exercise the power of the Company to make repurchases of its Shares pursuant to the Repurchase Mandate and in accordance with the Listing Rules, the Company's memorandum of association and Articles and all applicable laws of the Cayman Islands.

6. EFFECT OF TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If on exercise of the power to repurchase Shares under the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such an increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

The Directors have no present intention to exercise the Repurchase Mandate to such extent so as to result in triggering a mandatory offer obligation or the public holding of Shares would be reduced below 25% of the issued share capital of the Company.

As at the Latest Practicable Date, to the best knowledge and belief of the Company, China Uranium Development is beneficially interested in 4,278,695,652 Shares⁽¹⁾, representing approximately 64.82% of the existing issued share capital of the Company. China Uranium Development is wholly owned by CGNPC-URC and CGNPC-URC is wholly owned by CGNPC, therefore, CGNPC-URC and CGNPC were also deemed under the SFO to be interested in 4,278,695,652 Shares.

In the event that the Repurchase Mandate is exercised in full and given that it has been approved by the Shareholders, the interests of the above Shareholders will be increased to approximately 72.02%⁽²⁾. On the basis of the shareholding held by the Shareholders named above, an exercise of the Repurchase Mandate in full will not give rise to an obligation on them to make a mandatory offer under Rule 26 of the Takeovers Code.

Notes:

- (1) Pursuant to the share charge dated 1 April 2011, Perfect Develop Holding Inc. (established by the directors of the preceding controlling shareholders of the Company) charged 450,000,000 shares in favor of China Uranium Development, among which, 225,000,000, 180,000,000 and 35,000,000 charged shares were released on 18 February 2014, 31 May 2016 and 10 April 2018, respectively. The remaining 10,000,000 charged shares will continue to be charged in favour of China Uranium Development.
- (2) Assuming that the share charge is not enforced by China Uranium Development from the Latest Practicable Date up to the date of AGM.

7. SHARE REPURCHASE MADE BY THE COMPANY

The Company has not repurchased any of its Shares (whether on the Stock Exchange or otherwise) during the six months period immediately preceding the Latest Practicable Date.

8. SHARE PRICES

During each of the previous twelve calendar months immediately preceding the Latest Practicable Date, the highest and lowest prices at which the Shares had been traded on the Stock Exchange were as follows:

2017
